NORTH EAST WRRG BOARD OF DIRECTORS

The current board of directors met for the final time on 10 April, 2017 and it is expected that the newly formed board will be announced at the end of April, 2017.

Director Rodney Roscholler attended his last board meeting in the capacity of director and expressed his gratitude to the board for its support and vision, at times through very challenging circumstances.

The newly announced board will enter a busy phase of review of its statutory reporting requirements being the review and finalisation of the Business Plan 2017-2020 and Annual Report 2016-2017.

2017-2018 PROJECTS

North East WRRG's Technical Advisory Sub-Committee and Local Government Waste Forum have held several project planning meetings.

Local Government and Alpine Resorts have been recently notified of these projects as determined in collaboration with their representatives, as well, they have received notification of their member funding contributions for the same period.

North East WRRG is looking forward to working with local government and alpine resorts to further improve their waste management efficiencies throughout the next year.

SHARED SERVICES

Metropolitan Waste and Resource Recovery Group circulated an update on the implementation of shared services, including:-

- Human Resources;
- Collective Procurement; and
- Communications & Engagement.

Implementation and delivery of these services are expected to be monitored by the Project Control Board to monitor progress against KPIs and the WRRGs support the shared services identified by way of providing efficiencies and consistency. The appointment of a Human Resources person has just been made and they will commence in mid May.
