REGIONAL PARTNERSHIPS VICTORIA

The board have endorsed the participation of the Deputy Chair and Executive Officer at the regional assemblies meeting for the Ovens and Murray Regional Partnership. It has also endorsed the Executive Officer's participation where necessary, at the Environment Sector Managers Group meetings applicable to the region.

It is determined that these partnerships will significantly increase collaboration between communities, industry, businesses and government to address the most important challenges and opportunities in each region. This initiative is supported by Regional Development Victoria (RDV).

The Executive Officer attending the Environment Sector Managers Group meetings will facilitate links through to the Ovens and Murray Regional Partnership facilitating where possible, the strategic waste and resource recovery work in the region.

WWRIP UPDATE

The WWRIP forms part of each board meeting by way of an update to the board on its progression to completion. The key focus at this stage of its advancement is to ensure consistent messaging between WRRGs on matters of strategic alignment within the WWRIP. The formation of the Waste and Resource Recovery Group Project Control Board of which the Executive Officer is on, will receive Q&As from SV and DELWP in consultation with the WRRGs to review to ensure the consistent messaging is achieved.
